

# BROOKFIELD ACADEMY

## Level A Program

Level A is a half-day prekindergarten program for children who are four years old by September 1. We use phonics to teach reading and a wide variety of hands-on activities to teach numbers and counting skills. Ample time is given to enrichment subjects, including music, art, physical education, library, and Spanish. Story time and free play are also a part of each day. Small class sizes ensure individual attention.

### Core Level A Program

---

**Morning Session**

8:15 am–12:15 pm

**A+ Option**

12:15 pm–1:00 pm Expand the day with discovery activities
